**MINISTRY OF EDUCATION****RESOLUTION***New Delhi-2 the 16th April 1955*

**SUBJECT:**—Appointment of a Committee to consider the proposal that University Degree need not be insisted upon as a condition for employment to Public Services.

**No. F.23-49/54-A.1.**—The Government of India have for some time been considering whether it is necessary to prescribe, as is the case at present, that possession of University Degree is a necessary qualification for appointment to all but some of the lowest posts and services under Government. It is also necessary to re-examine the justification for such insistence in cases where recruitment is on the basis of competitive examinations. If there is no such justification, it has to be considered what other conditions, if any, should be devised to limit the number of candidates at such examinations. In order to consider these questions in all their aspects, the Government of India have appointed a Committee with the following as members:—

1. Dr. A. Ramaswami Mudaliar—*Chairman.*
2. Dr. C. P. Ramaswamy Aiyar.
3. Dr. Amar Nath Jha.
4. Dr. J. C. Ghosh.
5. Dr. Sushila Nayar.
6. Shri N. K. Sidhanta.
7. Prof. Humayun Kabir.
8. Shri K. P. Mushran.
9. Shri A. K. Roy.
10. Shri R. C. Dutt—*Member-Secretary.*

2. The terms of reference of the Committee will be as follows:—

- (1) To examine the question as to how far and at what levels the possession of a University Degree is necessary for recruitment to Public Services.
- (2) To consider the type of tests which should be instituted to assess the relative merits of candidates in an objective manner in the absence of a University Degree.
- (3) To consider measures to ensure that the numbers of candidates competing for posts and services under Government are not wastefully large.

The Committee should submit its report to the Government of India on or before 31st August 1955.

# MINISTRY OF IRRIGATION AND POWER

## RESOLUTION

New Delhi, the 14th April 1955

No. F.11(2)/54D.W.L.—At an inter-State conference held on the 25th March 1955, at New Delhi, at which the representatives of the Central Government and the State Governments of Rajasthan and Madhya Bharat were present, it was decided to set up a Chambal Control Board to ensure efficient, economical and early execution of the Chambal Valley Development Project including all connected works in the States of Rajasthan and Madhya Bharat. The terms of agreement arrived at between the various Governments are set out below:—

### Constitution of the Chambal-Control Board

With a view to ensuring efficient, economical and early execution of the Chambal Valley Development Project, including all connected works in the States of Madhya Bharat and Rajasthan, the Central Government and the State Governments of Rajasthan and Madhya Bharat agree to set up a Chambal Control Board as described below. The Control Board will be in overall charge of the Project including its technical and financial aspects. The actual work of construction will be carried out under the direction of the Control Board by the Chief Engineer concerned of the State in which the work lies, except that in respect of the construction of the Gandhi Sagar Dam and appurtenant works which are common to the States of Madhya Bharat and Rajasthan, the work will be done by the Chief Engineer, Chambal Project, Madhya Bharat.

2. The two State Governments further agree to delegate powers to their respective Chief Engineers to contract for works, supplies and services at the direction of the Control Board; the contracts in respect of works relating to the Gandhi Sagar Dam will be executed in the names of both the Governments of Madhya Bharat and Rajasthan.

3. The Chambal Control Board will consist of the following:—

#### Chairman

- (i) Deputy Minister of Irrigation and Power, Government of India.

#### Members

- (ii) Minister in charge of Chambal Project, Madhya Bharat Government.
- (iii) Minister in charge of Chambal Project, Rajasthan Government.
- (iv) Joint Secretary, Ministry of Finance, Government of India, or alternate nominated by him.
- (v) Chairman, Central Water & Power Commission, or alternate nominated by him.
- (vi) Chief Engineer, Chambal Project, Madhya Bharat Government.
- (vii) Chief Engineer, Chambal Project, Rajasthan Government.

The Minister in charge of Chambal Project, Madhya Bharat, and Minister in charge of Chambal Project, Rajasthan will be Vice-Chairman for one year each by rotation commencing with the Minister, Madhya Bharat.

The Board will be assisted by a whole-time Secretary, a whole-time Financial Adviser and such other staff as may be necessary.

The headquarters of the Board will be fixed by the Board.

4. In particular and without prejudice to the generality of the provision in paragraph 1 above, the Chambal Control Board shall—

- (i) scrutinise the estimate of the project prepared by the State Governments, advise necessary modifications and recommend the estimate for administrative approval of the Government concerned;

- (ii) examine and decide all proposals for preparation of designs and for obtaining expert advice;

- (iii) examine and approve from time to time the delegation of such powers, both technical and financial, as it may deem necessary for the efficient execution of the project, to the Chief Engineers, Superintending Engineers, Executive Engineers and Sub-Divisional Officers engaged in the execution of the project;

- (iv) examine and, where necessary, lay down specifications and schedule of rates for various classes of work with a view to sound and efficient execution of the project;

- (v) approve all sub-estimates and contracts, the cost of which exceeds the powers of sanction of the Chief Engineers;

- (vi) approve all proposals for award of work or supplies on contract other than those based on public tenders and on detailed quantitative estimates and works allotted on work order basis on schedule rates;

NOTE (1).—Where total financial liability under a contract is definitely ascertainable at the time of placing the contract and where the contract itself is the result of a public or limited call for tenders, prior submission of the proposals to the Control Board will not be necessary so long as the contract is otherwise within the powers of sanction of Chief Engineers.

NOTE (2).—This will not affect the powers delegated from time to time to the Chief Engineers, Superintending Engineers, Executive Engineers and Sub-Divisional Officers.

- (vii) frame rules as to delegation of powers and procedure for the purpose of carrying out its business;

- (viii) decide the programme of construction of different parts of the project in the two States, keeping in view the funds available, the economics of the Project and the desirability of obtaining quick result;

- (ix) decide on the stage development of water power and the withdrawals of water from the reservoir during the construction period for irrigation and power purposes with a view to securing best use of water available;

- (x) decide the programme of resettlement of persons displaced as a result of the Chambal Project works, scrutinise and approve the estimates of land reclamation and the expenditure incurred in resettlement and rehousing of the displaced persons including land acquisition and connected charges;

- (xi) receive monthly progress reports both as to works and expenditure in a prescribed form from the Chief Engineers, review the progress of different units of the project and lay down steps to be taken to expedite the work.

5. The Board will frame its Rules of Business.

T. SIVASANKAR, Secy.
